Stephen Kauffman of Sea Watch Realty Leases Specialty Suite at 116 Long Pond Road, Plymouth

Plymouth, MA – December 9, 2011, Stephen Kauffman of Sea Watch Realty has leased to CarePoint Partners, a 2300 square foot specialty suite on the first floor of the newly renovated Stafford Building at 116 Long Pond Road in Plymouth Massachusetts.

CarePoint Partners delivers regional infusion therapy in the home or alternate site environments with the full spectrum of healthcare professionals. By collaborating with patients and caregivers, CarePoint provides cost-effective quality infusion treatments that promote positive outcomes and enhance quality of life. Founded in 2007 CarePoint Partners is one of the largest, fastest-growing independent home infusion services and specialty pharmacy companies in the United States.

Sea Watch Realty is a commercial real estate brokerage company specializing in commercial and investment properties in southeastern Massachusetts. They have offices in Hyannis, Falmouth, Plymouth, and Marion. Please contact Stephen Kauffman for information on other commercial properties in southeastern Massachusetts.
